Sir John Rickman Godlee, Bart.,
Care Dr. H. R. Anderson,
Toronto.

My dear Sir:

It gives me pleasure to be able to inform you that the Senate of the University of Toronto desires to take the occasion of your visit to the city to confer upon you the honorary degree of Doctor of Laws in recognition of your eminent services in the domain of surgery. I hope that you will accept the degree, and if so, will you please hold yourself free for Wednesday afternoon, November 5, at four o'clock, when a special Convocation will be held for the purpose of conferring the degree? I hope that after the degree is conferred you will deliver an address. We are inviting the medical profession of the city to the ceremony and announcing to the students of the Faculty of Medicine that you will speak on this occasion. I trust that we are not trespassing too much on your good nature in taking this action.

With kind regards, I am,

Yours sincerely,

President.
